## Conversation Starters

Are you a church person?

How is your soul?

What is God doing in your life?

Where are you in your relationship with Jesus?

When has the Holy Spirit been most apparent to you?

How might we ask God to bless you?

What does your prayer life look like?

When have you encountered Christ in the workplace?

How has WorkLight (CIC) impacted your life?

When do you feel closest to God at work?

Which scripture(s) have inspired you most lately?

How do you like to spend time with Jesus?

What are your spiritual gifts?

What has God been teaching you lately?

How do you experience Christ in your life?

Who do you think Jesus is?
